Jaguar Journal

Hello Jackson Heights Families!

Jackson Heights Elementary School

Mr. Will Barnett, Principal

I want to welcome you all back to the 2020/2021 school year. While things may look a little different than we had hoped, we are still going to do our best to deliver great teaching and lessons to your child via Distance Learning. Our teachers have been putting in long hours adapting to this new digital landscape and we know you have been, too. Now more than ever, the partnership between home and school is extremely vital.

Here are a few tips to help shape your child's school day:

- 1) Have them get up and get ready for their day, just like they would if they were coming physically to school. That means dressed appropriately and completely.
- 2) Make sure they have a breakfast and are ready to focus.
- 3) Have a place without distractions where they can concentrate on being a student.
- 4) Do not let them multitask. Playing with toys and games or listening to music while the teacher is instructing is distracting to all of their classmates. We do have software that allows us to monitor your student's activity. Repeated disruption or inappropriate use of the technology will lead to disconnection of your child's device.

Remember, we are stronger together. By taking steps to help your student build strong habits today, you are laying a foundation for

September EVENTS:

School Site Council

Nominations Needed!

Jackson Heights Elementary School invites you to participate in the School Site Council. The School Site Council is a committee comprised of parents, teachers, and administrators who plan for improvement and reform that is meaningful for the school community. Meetings are once a month on Wednesday evenings. There are currently three openings, one term through September 2021 and two terms through September 2022

[Click here to nominate yourself or someone else.](#)
