## Hello, Jaguar families! Happy New Year!

As we embark on a new year we often think of new goals and resolutions we would like to accomplish. Well, the PBIS team at Jackson Heights has also put forth some new goals we would like to accomplish. One of these goals is to partner with you and share what we are doing and accomplishing at Jackson Heights.

PBIS stands for Positive Behavior Interventions and Supports. It is a framework that creates a standardized method for teaching, reinforcing and correcting behaviors. It helps students and staff to understand the rules, expectations and procedures for when they are at Jackson Heights. Our 3 rules are to Be Safe, Be Respectful and Be Responsible. We teach your students through class, playground and campus wide lessons what it means and looks like to follow these rules. We reinforce these skills by providing your students with verbal praise, Blue Slips and Triple B awards when they follow these rules. And, we correct students in a fair and equitable manner when they do not follow these rules.

If you would like to know more about PBIS and how Jackson Heights is implementing this framework please do not hesitate to contact the PBIS team.
