

Hello Jackson Heights Families,

I wanted to say thank you to all of the families who are able to work with the school in these difficult times. Remembering to pre-screen your children at home so they don't bring an illness into the school is a necessary step in keeping us all safe and healthy. Students are doing an excellent job wearing their masks and maintaining a safe social distance of 6 feet apart. Everyone must continue to do their part in following safety rules until the state directs us to loosen restrictions. Most parents have returned the school's Chromebooks and other materials that were loaned out when we were doing Distance Learning. If you still have any of those materials, please remember to return them to the school in order to avoid receiving a bill for the replacement cost. We do need those items to help our students learn in the classroom. We hope your student is having a great experience at Jackson Heights.
